Year 1

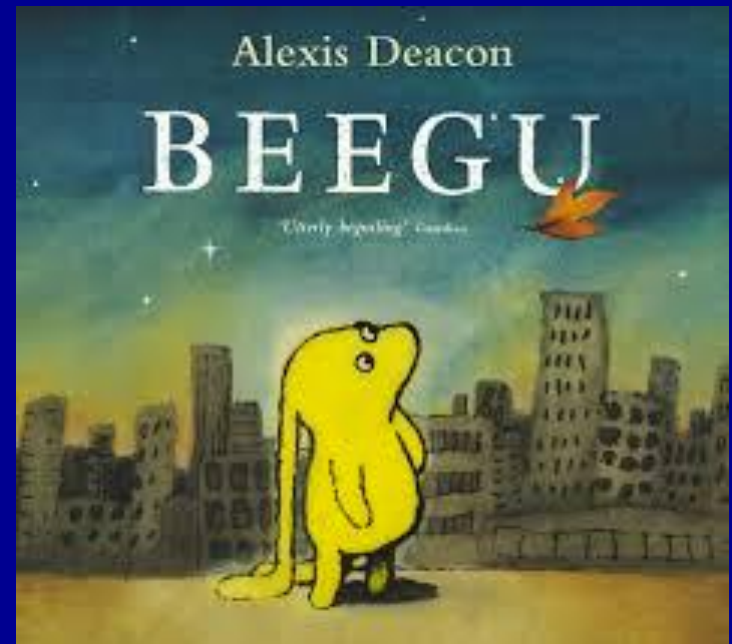

Parents Briefing

# English

This week we are starting a new book, Beegu.

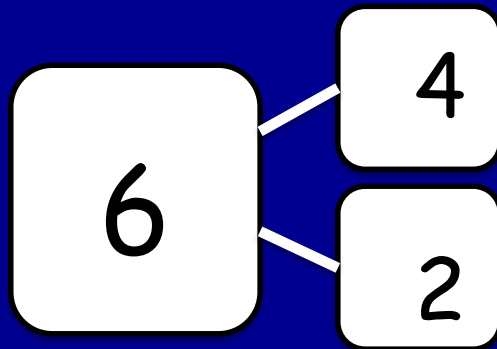

During this unit of work we will be continuing our work on adjectives and extending our vocabulary by thinking about feelings.

We will also continue to practise our narrative writing.

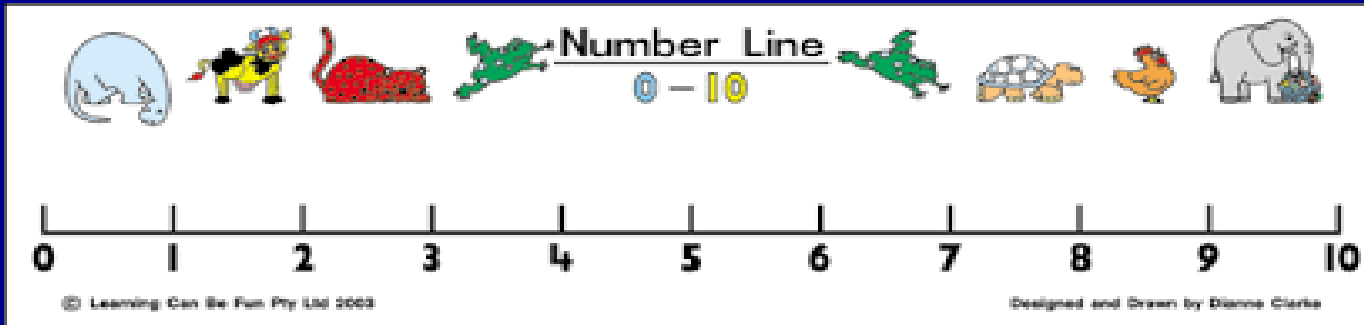

# Maths

We have started a new unit in Maths: Adding and subtracting within 10.

We continuing to use our Part-Part-Whole model o help us solve subtraction equations. We have also begun to use number lines to help us solve problems.

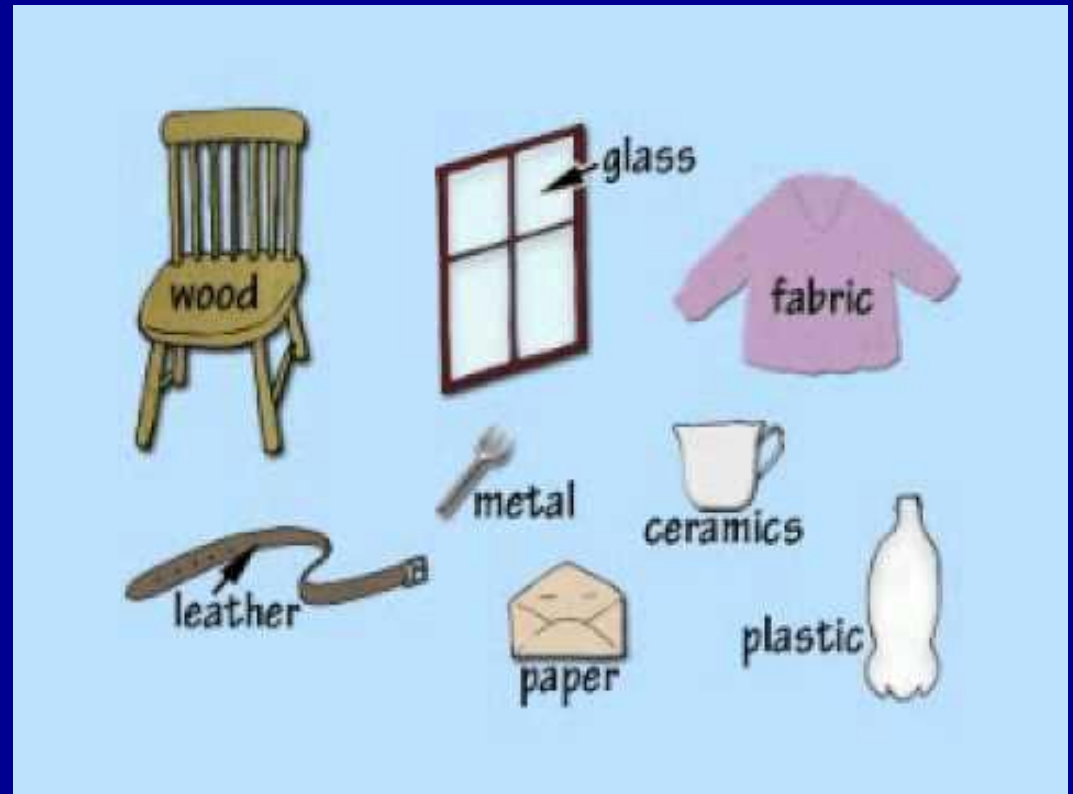

We will then be looking at addition and subtraction and will be deciding which equation we need to use to solve different problems.

# Science

We are continuing our unit on Everyday Materials.

This week we will be investigating the properties of various materials.

# ICT

We are continuing our ICT unit on internet safety. The children have now been introduced to our Purple Mash program in school and should now have brought home their username and password for Purple Mash today.

# History

We have sketched both old and new artifacts and are now able to identify items from the past and the present.

# Toys in School

An increasing number of children are bringing toys into school. Please could we ask for toys to be left at home.

# Reading Logs

Thank you for reading with your child at home. Please could you remember to sign their Reading Log, so we know that they have read.
