We have started phase 5 in phonics.

The children will be learning alternative spellings for the sounds that they already know plus learning how to spell new tricky words.

English

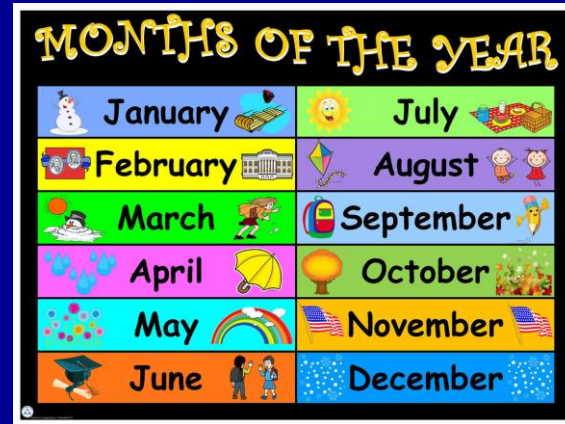

Last week we started reading Traction Man!

We thought about how the different characters might be feeling in the story and recorded our ideas.

Maths

Our new unit is time!

This week we have recapped the days of the week and explored the months of the year. We have been ordering the months and talking in full sentences to explain where they appear in the year using words like before and after. We've also been finding out the ordinal number of the months. Which is the seventh month of the year?

Diary Dates

Show and tell is now on a Friday. Please check which date your child needs to bring something in for this from the letter sent home.

Reading starts this week so please can you make sure that your child has their book in school on their reading and changing day.
