Dear Families and Staff of St Botolph's School,

It is official! We have made it through the first few weeks of school and are well on the way to a hopefully more settled 2020 - 2021 school year.

Whether you have a new student entering the school or have been around for more years than you would like to admit, we welcome you all into our special community.

Our goal every year is to support our school and to enrich our children's education. We want to help to provide events and fundraising opportunities that positively impact our students and staff and create a community within our school, leaving everyone with positive and happy memories of their time with us.

We hope you will support these incredible events by joining our PTA this year. We feel this year more than ever, we will be needing new and inventive ways to make what we do possible. However, beyond joining the PTA we strongly encourage you to get involved at St Botolph's, at whatever level you choose. Whether it's being a part of the committee, attending a PTA meeting, volunteering with events or simply helping with juice and biscuits at a disco, it ALL truly makes a difference and is invaluable.

So that parents and staff can learn more about the PTA and what we do, we would usually hold an annual AGM at a local watering hole, however, this year has to be slightly different as to follow government guidelines. We will be holding a Zoom meeting. Please feel free to join us with a cup of tea or a glass of wine in hand. This will be the first ever Zoom meeting I will have hosted, so please bear with me, but if you would like to join us please contact us using the e-mail address above with your name and email address so we can send you an invitation to join. It shouldn't be a very lengthy meeting as unfortunately not many events were held this year. All the same it should be fun and exciting to possibly think of how we can adapt our events around current situations to help provide fundraising for our school.

The AGM will also cover a report from over the last year from the Chair and Treasurer and provide an opportunity for you to elect the Friends Committee. Please bring nominations for existing committee members willing to stand for re-election and for anyone wishing to stand as a Committee Member for the first time to the AGM meeting. Formal committee positions are: Chair, Treasurer and Secretary. The current Chair, Treasurer and Secretary will be standing for re-election.

The AGM will be held on Wednesday 16<sup>th</sup> December at 7:30pm.

However if you are not looking to join us, we would also like to invite you to follow us on Facebook, check us out on the school website or ask us a question any time either in person or by email.

St Botolph's is a brilliant school with a long history within the area. Some of our committee members even went to the school as children. We are happy that you are part of it and we look forward to meeting you all.

Kind regards

The Friends of St Botolph's
