

Monday 5th March

Year 1

Parents Briefing

Phonics

We have been learning how to read and spell tricky words little, one, do, when, what and out.

We've have started practising for the phonics screening test. Children will read 20 alien words and 20 real words. To pass the test the children will need to read around 33 words correctly.

Maths

Our new unit is addition and subtraction
within 20!

We have been comparing numbers and sets of objects using the words fewer and more.
We have also been using cubes to help us find the difference.

Topic

Science - We have been learning about the 4 seasons, thinking about what happens in each one and where they appear in the year. We created some artwork in response to listening to 'The Four Seasons' by Vivaldi.

RE - We have been learning about how Jesus died and resurrected in the Easter story.

Diary Dates

9th March at 2.15pm - Mother's Day celebration assembly.

27th March - Class Celebration

This week the children will be bringing home information about what they will need to wear for the class celebration and their lines if they have a speaking part. Please help them to learn this ready for our practises.
